Displaced persons from Pakistan - Rehabilitation at
Bellary - Tulasidas son of Kachumal - Sanctioning
additional loan of Rs. 800/- Requested -

Enclose a copy of the appeal dated 28-3-51 of Sri Tula-
sidas son of Kachumal for an additional loan of Rs. 500/-
Action has already been taken by me on para 1 of his
petition. This refugee was allotted to Bellary Bwn for reha-
bilitation in G.O. Ms. No. 3403 Public (Elections) Department
Dated 7-10-49, with a business loan of Rs. 1500/- to start a
restaurant. He was paid the 1st instalment of Rs. 1000/-
on 6-11-49 and the 2nd instalment of Rs. 492/- on 19-1-50.
A ration allowance of Rs. 108/- was paid to him in October, 49.
Thus he has been paid in all an amount of Rs. 1600/-. He has
to pay an amount of Rs. 29-2-0 per month from August, 50
onwards till August, 1955 towards pay repayment of his loan. So
far he has not paid ~~only~~ any amount towards the repayment of the
loan.

I have personally seen this applicant. He has become a
cripple. His restaurant is being managed by his wife and other
family members. He has to struggle hard for his existence.
As he has become a cripple and as his case really justifies
the grant of an additional loan of Rs. 800/- I recommended
that his case may be considered sympathetically and the monetary
limits fixed in G.O. 2286/(Rf) Dated 18-7-49 may be relaxed
in his favour to enable him to run his restaurant more effi-
ciently.

For Collector.

Copy of application dated 28-3-51. from Tulsidas, Sweatmeat shop,
Car Street, Bellary to the Collector, Bellary.

I am a refugee under the Protection of the Madras Government
and resettled in the Bellary town since a few years ago. I
am running a sweatmeat shop since then. But due to my bad
fate, I am suffering from paralysis from six months and I
cannot walk and talk due to this disease. Since then my wife is
running this shop. From three months maida is not being supplied
to me and hence it is very difficult to prepare sweats without
maida. And as such I am unable to maintain my family of six
children.

Further I am experiencing a great financial difficulty in
paying Rs. 30/- house rent and Rs. 15/- for water supply.
Also I have spent all the money I had for my treatment. I am
penniless now and unable to run my shop and maintain my family.

Hence most humbly I request the Honourable Collector to
be good enough to grant me a loan of Rs. 500/- to enable me to
run my shop properly and save my starving children. As these
troubles have become as my life and death question, I request
the Collector to grant this loan without delay.

Thanking you very much.
